
REFERENCE LIST

Our Projects:

1 Subject: Designing of Tipper car BW2600

Location: Mae Moh, Thailand

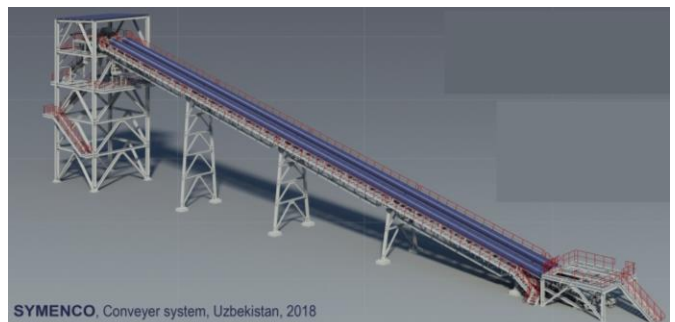

Year: 2017

2 Subject: Designing of conveyor system

Location: Uzbekistan

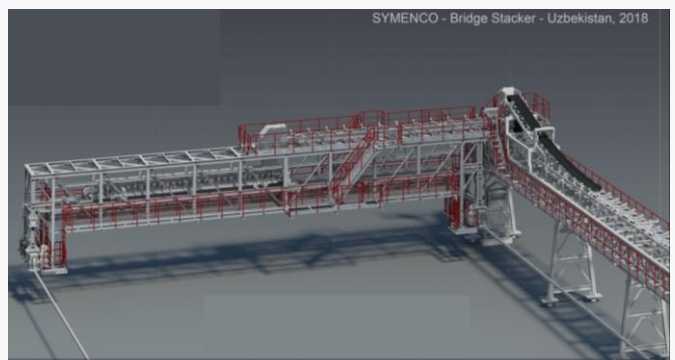

Year: 2018

3 Subject: Designing and fabrication of Bridge Stacker

Location: Uzbekistan

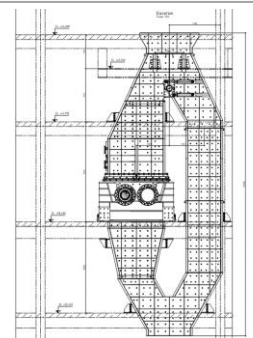

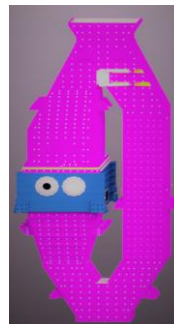

Year: 2018

4 Subject: Designing of chute systems

Location: Vanino, Russia

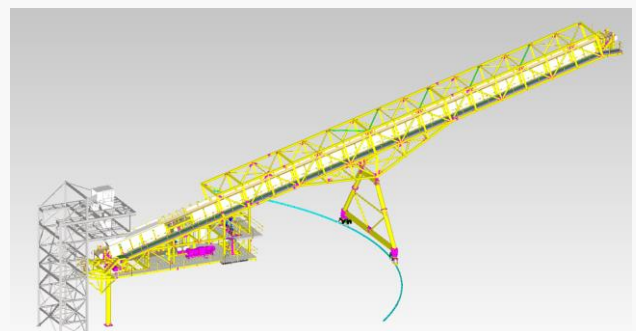

Year: 2018

5 Subject: Designing of Radial Stacker

Location: Australia

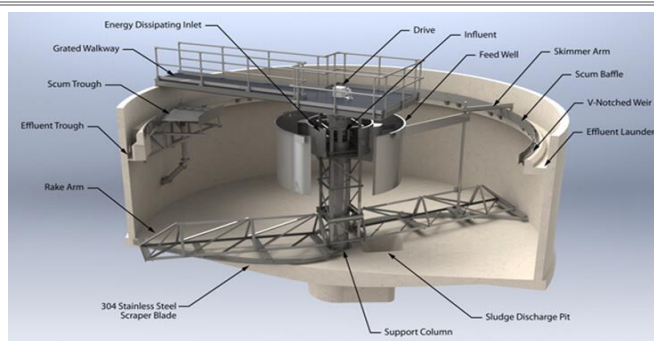

Year: 2018

6 Subject: Designing of high compaction thickener

Location: Australia

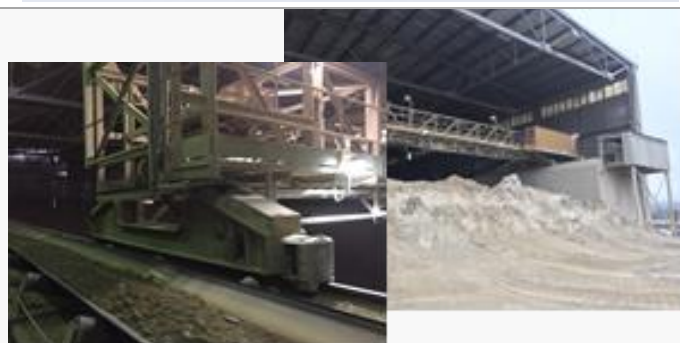

Year: 2018

7 Subject: Reconstruction of Spreader

Location: Serbia

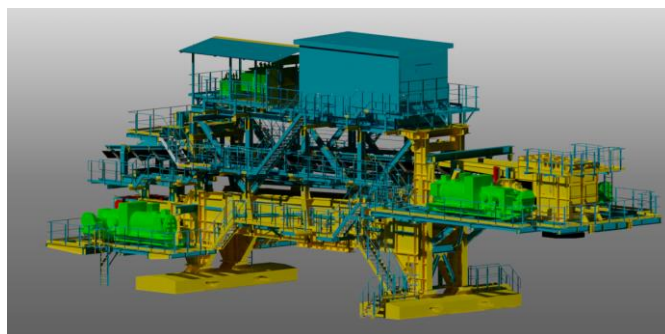

Year: 2018

8 Subject: Designing of Head Stations BW1800, BW2000, BW2200

Location: Thailand

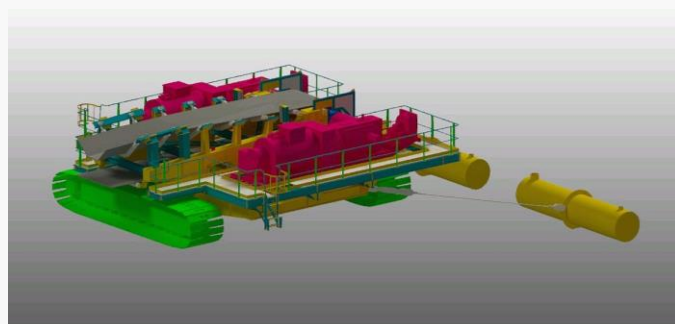

Year: 2019

9 Subject: Designing of flat Head Station on crawlers BW2200

Location: Thailand

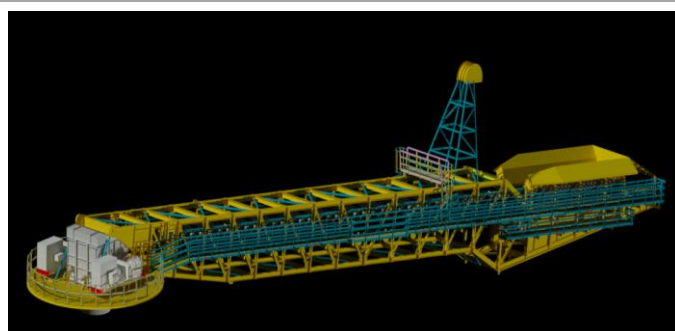

Year: 2019

10 Subject: Designing of Spreader bridge BW2400

Location: Thailand

Year: 2019

- 11 Subject: Designing, fabrication, disassembling of old conveyors, delivery and installation of new conveyor H-3a i H-4a (Turn-key system)

Location: Serbia

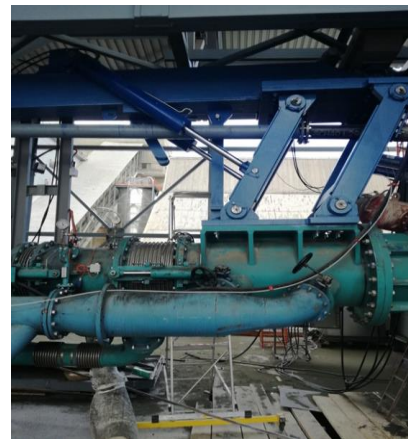

Year: 2019

- 12 Subject: Fabrication of a mechanism for lifting burners with a hydraulic unit and a cylinder

Location: Serbia

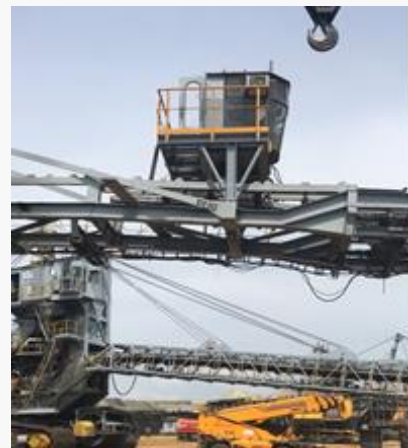

Year: 2020

- 13 Subject: Relocation of the operator's cabin on the excavator SRs 400 (Designing and fabrication of a structure with a hydraulic mechanism)

Location: Serbia

Year: 2020

- 14 Subject: Designing of Spreader ARs 1800

Location: Russia

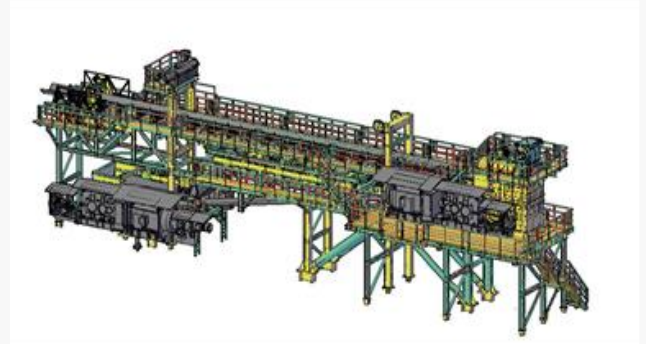

Year: 2020

15 Subject: Designing of Conveyor system

Location: Russia

Year: 2020

16 Subject: Fabrication of construction and equipment for mills and crushers

Location: EU

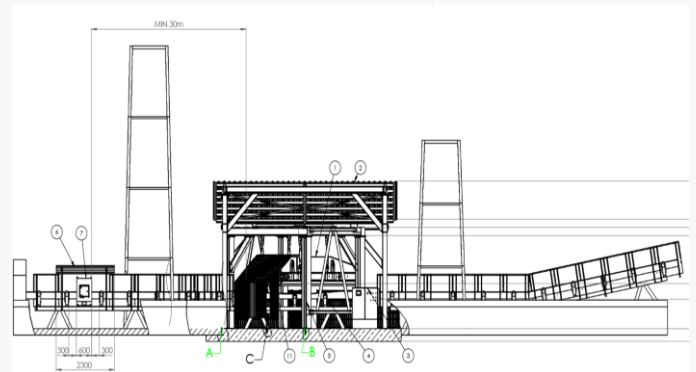

Year: 2020

17 Subject: Designing of construction for separator on conveyer T7

Location: Serbia

Year: 2020

18 Subject: Designing, fabrication and installation of plow for snow cleaning, on the belt B-2000mm

Location: Serbia

Year: 2020
